Dua

(Al-Isra: 24) رَبِّ ارْحَمْهُمَا كَمَا رَبَّيْنِي صَغِيرًا

Hadeeth

The Prophet صلى الله عليه وسلم said: (saying) a good word is also Sadaqa, and every step taken on one's way to offer the compulsory prayer (in the Masjid) is also Sadaqa and to remove a harmful thing from the way is also Sadaqa. (Bukhari: 2989)

Akhlaaq

When you go out, be careful about the following:

1. Crossing the road without looking left and right.
2. Stumble (kicking out) the way stones.
3. Sticking your hands or head out of windows of school bus or car or any other mode of transfer.
4. Troubling the passer-bys while traveling on road. Like throwing garbage, empty bottles.

Seerah

According to a Hadith of the Messenger of Allah صلى الله عليه وسلم, said, removing the harmful things from the path is a part of belief (Iman). Think! How much beneficial is following the Sunnah of our Prophet صلى الله عليه وسلم in this world and in the Hereafter as well.
