Good and Bad
Companions

If we live in the company of good people and make friendship with them, we may get their company in the Hereafter also. But if we live with bad people and support them then we may be accompanied with them in the Hereafter also. Therefore we should choose best friends for us and live with good people.

- We should ask Allah to give us Tawfeeq to follow the path of those on whom Allah has bestowed His favor.
- Allah bestowed His favors upon the Prophets, the truthful people, the martyrs and the righteous people because they were on الصراط المستقيم (the straight path). If we follow the straight path, Allah would bestow His favors upon us too.

Allah told us about two groups who have strayed from the correct path:

- الْمَغْضُوبِ : Those who know about the straight path but do not follow it.
- الضَّالِّينَ : Those who do not know about the straight path, nor do they try to know about it.
- O Allah! Save us from all those things that displeases You.
- O Allah! Save us from drifting apart from Islam.
