

Lesson

هُ، هُمْ

In the previous lessons you studied هُوَ ، هُمْ ، أَنْتَ ، أَنَا ، أَنْتُمْ ، نَحْنُ

These words always come separately before the word following them.

Now we will learn those words which come jointly with the words following them and they are: هُ ، هُمْ ، كَ ، كِ ، يَ ، كُمْ ، نَا

In this lesson, we will practice only two words among them, Insha'Allah.

Let us practice these words with TPI.
