- 1 Allah trusts all angels; they never disobey Him. They follow the commands of Allah, honestly and sincerely. Angel Jibreel AS brought revelation to all the Prophets, guidance for humanity by command of Allah. He even brought Tawrah to Bani Israel; then why they became his enemies? He also brought the revelations to the Prophet Muhammed ﷺ; this is the reason that they were against him, and they said Angel Jibreel is their enemy.
- 2 Four things are mentioned about the Qur'an: (1) Jibreel brought it by order of Allah; (2) it confirms the authenticity of previous books; (3) it is a guidance for humanity, (4) and it has good news for the believers. If someone is not a believer, then he will be deprived of all these benefits.
- 3 You will thank, appreciate, and love the person who used to deliver precious gifts to you from your parents. Similarly, Jibreel AS also, did a very big task as he gave Allah's messages to the prophets!! We should love him and all the angels too.

- 4 Angel Mika'eel is made responsible for rain, the source of life, and vegetation. When it rains, at least sometimes we should remember Mika'eel AS and love him and thank Allah for all the arrangements.
- Both Jibreel and Mikaeel are angels; they do not disobey Allah. Angels pray for us, protect us, and obey Allah always. We should love them all.
- 5 The verses of the Qur'an are clear in their message in their proof that they are from Allah. They guide everyone who is sincere.

Hadith: The Messenger of Allah ﷺ said: When Allah loves a servant, He calls Jibreel and says: *Verily, I love so and so; you should also love him*, and then Jibreel begins to love him. Then he makes an announcement in the heaven saying: *Allah loves so and so and you also love him*, and then the inhabitants of the Heaven (the Angels) also begin to love him and then there is conferred honor upon him in the earth. (Muslim: 2637a)

Imagine & Feel: Allah is an enemy of those who are the enemies of His angels and His true slaves. Imagine how would be the condition of these people!

Think & Ponder:

- They had blind hatred and hostility towards Jibreel AS, who could not take sides with anyone. He is honest, fair in the task assigned by Allah.

Du'a: O Allah! Help us love all the messengers and angels.
