UQA ONLINE CAMPUS - MOODLE

UQA Online Campus

UQA Online Campus uses Moodle to teach the Teacher Training Courses. Moodle LMS is simple and effective for learning. There are various benefits of learning through LMS:

- Organizes eLearning content in one location.
- Easily tracks learner progress and performance.
- Connects the learners through discussion forums.
- Schedules and auto reminders for classes, assignments, and quizzes.
- Connects the learners with Instructors through 1-to-1 interaction or thru messaging.

How to use Moodle?
