

## Portfolio – Classroom Management

1. Write five rules and their corresponding penalties that you think are important for your class.
2. Write eight routines and their corresponding reminders that you think are important for your class.
3. How would you increase your involvement in the classroom? Write at least ten activities.
4. **Scenario:** In your classroom, you find the students troublesome and are accustomed to shouting and punishments. When you are gentle and give no punishments, they take you as a soft teacher and won't obey you. Submit a detailed plan for implementing high control and high involvement in the classroom. Hint: Implement token economy
5. How would you implement and inspire your students' Classroom Management from an Islamic point of view? Give references from the Quran and Hadith.
