How easy the Qur'an is! You have to learn only... ; and to learn them easily, we will use phrases.

There are 2 main challenges to learn the Qur'an: Vocab & Grmr.

- Pointers & Phrases help you learn vocabulary
- TPI helps you learn the Grammar (in part B)

WFW & PFP translation and Explanation

- WFW: Word-for-word; PFP: Phrase-for-Phrase
- Every line has 3 new words (approx.)
- You may see around 3 phrases per line for learning the 3 new words.
- Phrases are shown in shadows.
- It is easier to remember the meanings of new words using phrases.

- When the hypocrites meet with the believers, they proclaim their faith and pretend to be believers, loyalists and friends.
- They do this to deceive the believers because they want to have a share of the benefits and gains that the believers might possibly acquire.

13. And when it is said to them, "Believe as the people have believed," they say, "Should we believe as the fools have believed?" Indeed, they themselves are the fools, but they do not know.

14. And when they meet those who believe, they say, "We believe." but when they are alone with their evil ones, they say, "Indeed, we are with you, we are only mocking."

15. Allah mocks at them, and prolongs them in their transgression (while) they wander blindly
