### Brief Explanation

- About the Qur'an, Allah said in the beginning itself: لَا رَيْبَ فِيهِ. Allah mentions it here again and challenges the disbelievers.
- ... نَزَّلْنَا عَلَى عَبْدِنَا...: Risalah is mentioned here! Previous verses talked about Tawheed.
- "Call your witnesses besides Allah": i.e., supporters and helpers. Bring them and produce a Surah if you are sincere in your doubt.

### Qur'an – A Living Miracle:

- The Qur'an contains many historical facts and scientific truths that were discovered only recently. It has amazing numerical miracles. Its predictions came true.
- The Qur'an is free from any grammatical error! Arabic grammar is extremely sensitive to A'raab! Even some educated Arabs make mistakes in their lectures! The Prophet ﷺ could not read or write. It was a one-time delivery from him with no chance editing or corrections!
- Can you say something very powerful and to the point even for a minute without making grammatical mistakes or aaa or eee. Even when we write, we edit it so many times! Long Surahs consisting of many pages were revealed in just one delivery. How could a person who did not know how to read or write deliver a perfect lecture, and that too a lengthy one?
- The Qur'an provides a complete system of life which includes creed, worship, ethics, and laws. Yet when it is recited properly, it moves you deeply!
- It addresses every aspect of human existence, the mind and the heart, the soul, the intellect, and the rational and emotional sides.
- The Qur'an was revealed over a period of 23 years, but it has no contradiction anywhere.
- The only religious book which has been protected for the more than 1400 years.
- It is recited by almost a billion today! Memorized by millions!

### When you recite Qur'an with understanding...

- The man ﷺ who received it became the most successful of all religious and secular personalities. This is expressed not by Muslims but by scholars and institutions of non-Muslims. For example, Encyclopedia, 11<sup>th</sup> edition under Koran.
- The people who followed it became world leaders within 50 years and remained so for the last 1000 years!
- The Qur'an inspires you, motivates you, energizes you, and gives you hope and takes you to higher

levels of moral, intellectual, and spiritual existence.

- It makes you a thinker, helps you understand your position in this world, gives you clarity of purpose of this life and a clear plan to work on, and gives you true peace and happiness.
- The Qur'an is the best of all books! The most amazing aspect is that the book was revealed to a prophet who did not know how to read and write! He did not travel out of his country! He was brought up in a location that was economically, politically isolated, and educationally a backward region without any university, college, or school.

That is why there is no doubt that the Qur'an is from Allah.
