Guidance to Bani Israel to do good deed for the day

# Introduction

# Introduction

- After talking about the first man who was given guidance, Allah talks in detail about Bani Israel who were the believing nation before us. These verses were revealed in Madinah and the city had several Jewish tribes. Allah invites them to accept the Prophethood of Mohammed ﷺ whose arrival was predicted in their book.

# Introduction

- More importantly, these verses show us in detail how a community loses its moral and spiritual connection when it goes away from the truth. This way, we can recognize the reasons for problems in today's Muslim society.
