Let's take a Hadith now.

# Hadith

- **Abu Huraira R Narrated that the Prophet (ﷺ) said, "Avoid the seven great destructive sins." They (the people!) asked, "O Allah's Apostle! What are they?" He said, "To join partners in worship with Allah; to practice sorcery; to kill the life which Allah has forbidden except for a just cause (according to Islamic law); to eat up usury (Riba), to eat up the property of an orphan; to give one's back to the enemy and fleeing from the battle-field at the time of fighting and to accuse chaste women who never even think of anything touching chastity and are good believers."**

Translation

51. And (recall) when We made an appointment with Musa for forty nights. Then you took the calf (for worship) after him (i.e., his departure) and you were wrongdoers.
52. Then, even after that, We forgave you so that you may be grateful.
53. And (recall) when We gave Musa the Book (Taurat) and the Criterion (of right and wrong) that perhaps you would be guided.
