How easy the Qur'an is! New words are only few and to learn them easily, we will use phrases.

There are 2 main challenges to learn the Qur'an: Vocab & Grammar.

- Pointers & Phrases help you learn vocabulary
- TPI & Spoken Arabic helps you learn the Grammar (in part B)

WFW & PFP translation and Explanation

WFW: Word-for-word;
PFP: Phrase-for-Phrase

- In the desert Allah had provided Bani Israel with Mann and Salwa. Their basic needs were taken care of. They were made to wander in the desert so that they were purified and reformed from wrong beliefs and morals they had adopted in Egypt during their slavery. They had to be raised to higher levels of Allah's obedience. But they were impatient and not ready to sacrifice even the taste of their food.

- Let's take a Hadith now.

Hadith

- 'Amr b. al-'Aas (R) reported Allah's Messenger (ﷺ) as saying: Successful is the one who enters the fold of Islam and is provided with sustenance which is sufficient for his needs, and Allah makes him content with what He has bestowed upon him. (Muslim: 1054)

- In this life, if we want to achieve our goals or worship Allah properly, then we may need to sacrifice different things. To pray Fajr, we have to sacrifice our sleep, to fast, we have to sacrifice our food and rest, to perform Umrah and Hajj, we have to sacrifice money and our comfort, to learn the Qur'an, we have to sacrifice our time, to maintain relations, we have to sacrifice our egos, to earn Halal, we may need to sacrifice other things. We have to be patient and work hard to achieve higher goals.

Let's take a Hadith now.

Hadith

- Suhaib (R) reported that Allah's Messenger (ﷺ) said: Strange are the ways of a believer for there is good in every affair of his and this is not the case with anyone else except in the case of a believer for if he has an occasion to feel delight, he thanks (God), thus there is a good for him in it, and if he gets into trouble, he endures it patiently, there is a good for him in it. (Muslim 2999)

Translation

61. And when you said: “O Musa! We can never endure one (kind of) food. So pray to your Lord to bring forth for us out of what the earth grows, its herbs, its cucumbers, its garlic, its lentils, and its onions”. He said, “Would you have in exchange that which is better with that which is inferior? Go down to (any) city and indeed you will have what you have asked for.

- Bani Israel were more eager to eat variety of foods rather than be patient with Mann and Salwa.
- They showed disrespect to Musa A by saying: We will never be patient.
