Lesson-3a

Al-Kawthar

Surah Al-Kausar

Allah talks about 3 things in the 3 verses of this Surah:

- Allah's favors on Prophet Muhammad pubh.
- Therefore, the Prophet pbuh is asked to pray and offer sacrifice.
- Even though the enemies of Islam may try their best, in the end they will be losers in this world as well as in the hereafter.

Let us now study the Surah verse by verse.

Let us start with the 1st Verse

The top corners of the slide feature several slices of oranges. In the top-left corner, there are three slices, with one showing the full cross-section of the fruit. In the top-right corner, there are two slices, also showing cross-sections. The background is a solid, textured orange color.

Favors in this world

Allah gave the Prophet pbuh many favors in this world.

He made Muhammad the last Prophet pbuh.

He revealed Qur'an on the Prophet pbuh.

Billions and billions of Muslims throughout the history love, respect, and obey the Prophet pbuh.

Favors in the hereafter:

- Allah will give a great river Al-Kawthar having a very special drink in the Paradise.
- Allah will give the pond of Kawthar to the Prophet pbuh on the day of judgment. On that day, people will be extremely thirsty. The Prophet pbuh will offer people a cool pleasant drink from the pond of Kawthar.
- Only those people who followed the way of the Prophet pbuh will be allowed to have that drink.

The top corners of the slide are decorated with several slices of fresh oranges, showing their vibrant orange flesh and white pith.

VISUALIZE

- We all want to meet the Prophet pbuh... We all would like to get the drink from his hands. So, we should love and obey him.
- Who loves him??? Raise your hands. MashaAllah.
- If we love him, we should listen to him; we should follow him.

The top corners of the slide feature several slices of oranges. In the top-left corner, there are three slices, one of which is a whole orange. In the top-right corner, there are two slices. The background is a solid orange color with a subtle, repeating geometric pattern.

So Thank Allah by...

**Allah asked His Prophet pbuh to thank Him,
i.e., by offering**

- 1. Salah and**
- 2. sacrifice.**

**And the Prophet pbuh did that throughout his
life extensively.**

We are also asked to recite this verse.

We should realize the blessings that each one of us have. Allah has given us:

- Islam. Qur'an the excellent book of guidance. He sent to us the Prophet who showed how to follow the Qur'an.**
- Life and health. Eyes and ears; hands and legs; etc.**
- Parents, home, school, friends, relatives, etc. so many...**

The top corners of the slide are decorated with several slices of fresh oranges, showing their vibrant orange flesh and white pith.

We too are blessed...

- Just look at the millions of people who don't have any thing to eat, or suitable clothes to wear or a proper house to live in. Allah has indeed given us a lot.
- Since we are also blessed with so much, we should follow the Prophet and thank Allah by offering Salah in time. That is 1st and most important thing.

Several slices of oranges are arranged around the top edge of the slide, with some showing the white pith and others showing the orange flesh.

Follow the spirit of sacrifice.

- When it is time for Salah, we should sacrifice playing, watching cartoons or games.
- If you want to be loved by Allah, then keep giving sacrifice.

Sacrifice in the family

- When mummy or daddy asks for something, we should sacrifice our interesting games or cartoons and go to them, listen to them.
- By making mummy or daddy and the teacher happy, we will please Allah because He asked us to make them happy.
- If they ask you to share something with your brothers and sisters, you have to sacrifice and share it with others. If it is time to study, you have to sacrifice your interest in playing.

Your enemy...

- He is Cut off from all good things.
Abu Jahl, Abu Lahab and other enemies of the Prophet pbuh and the enemies of Islam were destroyed. Nobody loves them or respects them. They are cut-off from all good things in this world
- They will be punished very severely in the hellfire. They will be cutoff from all good in the hereafter too.

The top corners of the slide are decorated with several slices of fresh oranges, showing their vibrant orange flesh and white pith.

Enemies of Islam...

Similarly, the enemies of Islam today will also be destroyed.

- Allah is just giving them time to correct. He has all control over them.
- If not in this world, as soon as they die, they will face severe punishment.

On the opposite side, Allah will bless those who obey Him. We should therefore obey Allah as much as we can.
