Introduction

This is a small but very important Surah. It equals to 1/3rd of the Qur'an.

When you recite this Surah in the Salah, do not do so just because it is a small Surah but keep in mind its significance and importance also.

Introduction

The name of this Surah is Al-Ikhlaas (the purification). Whoever recites this Surah with understanding and believes in what is mentioned in it, his faith will become pure and free from any Shirk (polytheism) or any wrong concepts.

Introduction

- It answers the most fundamental question, i.e. who should we worship and who can qualify to be God.
- It was the Sunnah of the Prophet ﷺ to recite this Surah along with the last two Surahs of the Qur'an once after every obligatory (Fard) Salah and thrice after Fajr and Maghrib Salahs.

- Allah is alone. Let us take four important aspects of His Oneness with examples:

Message from:

قُلْ	هُوَ	اللَّهُ	أَحَدٌ ١
Say,	He	(is) Allah,	[who is] One.

➤ Allah is alone. Let us take four important aspects of His Oneness with examples:

- 1) He is alone in His entity. He has no partners or relatives, no son or father.
- 2) He is alone in His attributes. Nobody has knowledge of the unseen. No one can hear, help, or see the way Allah does.

Message from:

قُلْ	هُوَ	اللَّهُ	أَحَدٌ ^ج 1
Say,	He	(is) Allah,	[who is] One.

- 3) He is alone in His rights. For example, only He has the right to be worshipped.
- 4) He is alone in His powers. For example, He alone has the right to declare something lawful or unlawful, permissible or impermissible. If we live in a non-Muslim environment, we should explain this wisdom and love to others who do not know.

Message from:

قُلْ	هُوَ	اللَّهُ	أَحَدٌ ^ج 1
Say,	He	(is) Allah,	[who is] One.

➤ Allah is alone in His:

- 1) Entity
- 2) Attributes
- 3) Rights
- 4) Powers

Message from:

قُلْ	هُوَ	اللَّهُ	أَحَدٌ ^ج 1
Say,	He	(is) Allah,	[who is] One.

Let us apply the following simple formula to bring this Surah into our lives:

- Du'aa/Ask: O Allah! Help me worship You alone.

Message from:

قُلْ	هُوَ	اللَّهُ	أَحَدٌ ^ج 1
Say,	He	(is) Allah,	[who is] One.

- **Evaluate:** How many times did I follow my desires? According to the Qur'an, following one's own desire is to make it god [45:23]. How many times did I succumb to the whisperings of the Shaitan? According to the Qur'an, following Shaitan is like worshipping him [23:60]. Why did I listen to him? Because of bad company, TV, internet, or just laziness?

Message from:

قُلْ	هُوَ	اللَّهُ	أَحَدٌ ^ج 1
Say,	He	(is) Allah,	[who is] One.

- **Plan: Remove bad things, bad friends, and bad habits and plan to use the things properly.**

Message from:

قُلْ	هُوَ	اللَّهُ	أَحَدٌ ١
Say,	He	(is) Allah,	[who is] One.

- Plan: Remove bad things, bad friends, and bad habits and plan to use the things properly.
- Propagate: This verse starts with “Qul.” We must propagate the message of Islam to others with wisdom and kindness, like the way Prophet Mohammed ﷺ did. Use this Surah to spread the message of Tawheed and Ikhlaas (sincerity).

Practice with imagination; feelings prayer

Message from:

لَا يُولَدُ 3	وَلَمْ	لَمْ يَلِدْهُ
He begotten,	and nor (was)	He did not beget

- This ayah means that He was there forever and will be there forever. Try to go back thousands, millions, billions of years in time and think!! And He was always there. Do so for future, and He will always be there.

Message from:

لَا يُولَدُ 3	وَلَمْ	لَمْ يَلِدْهُ
He begotten,	and nor (was)	He did not beget

- Why do we have children? Because when we are tired or feel lonely, they cheer us up. When we grow old, they take care of us. When we die, they continue our plans and our ambitions. Allah is free from all such weaknesses and needs.

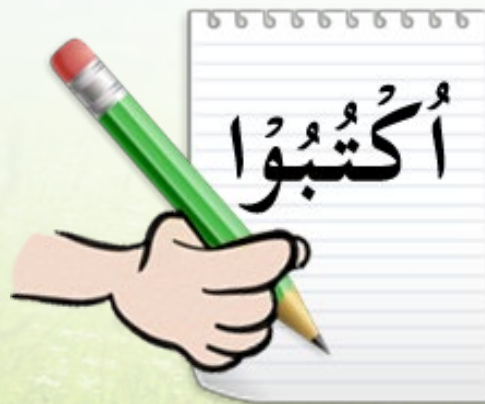

Message from:

لَمْ يَلِدْهُ	وَلَمْ	يُولَدْ ³
He did not beget	and nor (was)	He begotten,

- While reciting this ayah we should feel the responsibility of conveying this message to over two billion Christians who wrongly believe that Jesus [?] is the son of Allah.

- **Plan:** Think deeply over the attributes of Allah and in the ayahs of the Qur'an so that Allah's greatness fills our minds.

Amazing Benefit of this Surah:

- One of the companions of the Prophet ﷺ used to recite Surah Al-Ikhlaas followed by some other Surah in every raka'h of Salah. When the Prophet ﷺ asked him about this, he said, "I love it very much." The Prophet ﷺ said, "Your love for this Surah has made you enter Jannah."

How can we develop the love of this Surah? Here are some tips:

- **We should thank Allah from the depth of our heart that he conveyed to us the clean, pure, and true message. We now know who is our Creator and what does He want from us. If we had not received this message, we would have been lost in bad thoughts and deeds. Therefore, we should love to recite this Surah.**

How can we develop the love of this Surah? Here are some tips:

- **If you are an ordinary person and you have a very close relative or friend who is a famous sportsman or a leader, won't you happily mention his name when you introduce yourself to new people?**
- **Let us extend this argument. Allah is our Creator and our Sustainer. He created us and this whole wonderful world for us! His love for us is much more than that of a mother's love for her children! Then shouldn't we love to mention His name and praise him often?**

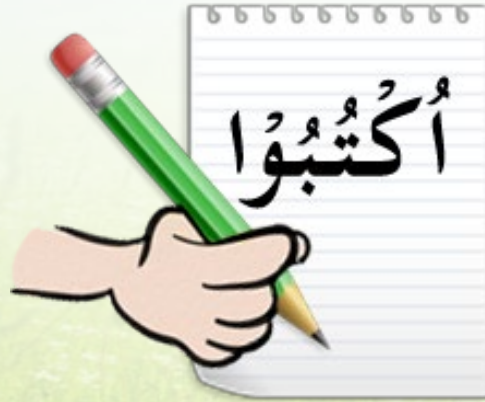

How can we develop the love of this Surah? Here are some tips:

- Allah is such that there is none in comparison to Him in His creativity, in His wisdom, in His lordship, in His power, in His love, etc.
- Most importantly, no one is like Him in His forgiveness and in His grants. People don't like the one who keeps slipping and falling; Allah loves to forgive. People hate if we ask them; Allah loves when we ask Him. No one is kind and caring like Allah is.
- Allah has 99 names describing His attributes. No one was, is, and will be like Him in all of these attributes.

- 
- **Such feelings will inshaAllah help you in developing the love of Allah in our hearts and reciting this Surah with love.**
