Most Important: Intention

Today's Lesson

The best way to learn the Qur'an is to follow the three steps mentioned in this lesson.

1. Ask Allah for Knowledge

O My Lord!

Message from:

زِدْنِي

رَبْ

Increase me

O My Lord!

- Allah taught this Du'aa (supplication) to Prophet ﷺ especially for memorizing and learning the Qur'an. We should, therefore, beg Allah using this Du'aa repeatedly and sincerely.

Message from:

114

عِلْمًا

زِدْنِي

رَبٌّ

in knowledge.

Increase me

O My Lord!

- Tip to remind us to recite this Du'aa: You may link it to the word 'ilm' in Ayatul-Kursi and after you recite ayatal kursi or after Adhkar, say: رَبٌّ زِدْنِي عِلْمًا

Message from:

114

عِلْمًا

زِدْنِي

in knowledge.

Increase me

O My Lord!

- Along with Du'aa, we must make a plan and spend time everyday to understand the Qur'an.
- If a student asks Allah for success in every Salah but does not go to school nor open any book to study, will he pass the exam?
- If we just pray for knowledge but don't make an effort then we are playing with the Du'aa?

Message from:

114

عِلْمًا

زِدْنِي

رَبْ

in knowledge.

Increase me

O My Lord!

- Some people say that you don't need to know more; just practice what you know. This statement is not correct.
- The only Du'aa taught by Allah for increase is the increase in knowledge! More knowledge will give us stronger faith and then it will be easier to obey Allah. It will also help us spread it in a better way.

Message from:

114

عِلْمًا

زِدْنِي

in knowledge.

Increase me

O My Lord!

- How should you pray? Like a person who is hungry for two or three days; Like a heart patient who will undergo an open heart surgery the next day. Will he ask Allah only once? Will he ask without feelings? Ask Allah again and again to help us understand every page of the most important book of knowledge.

Message from:

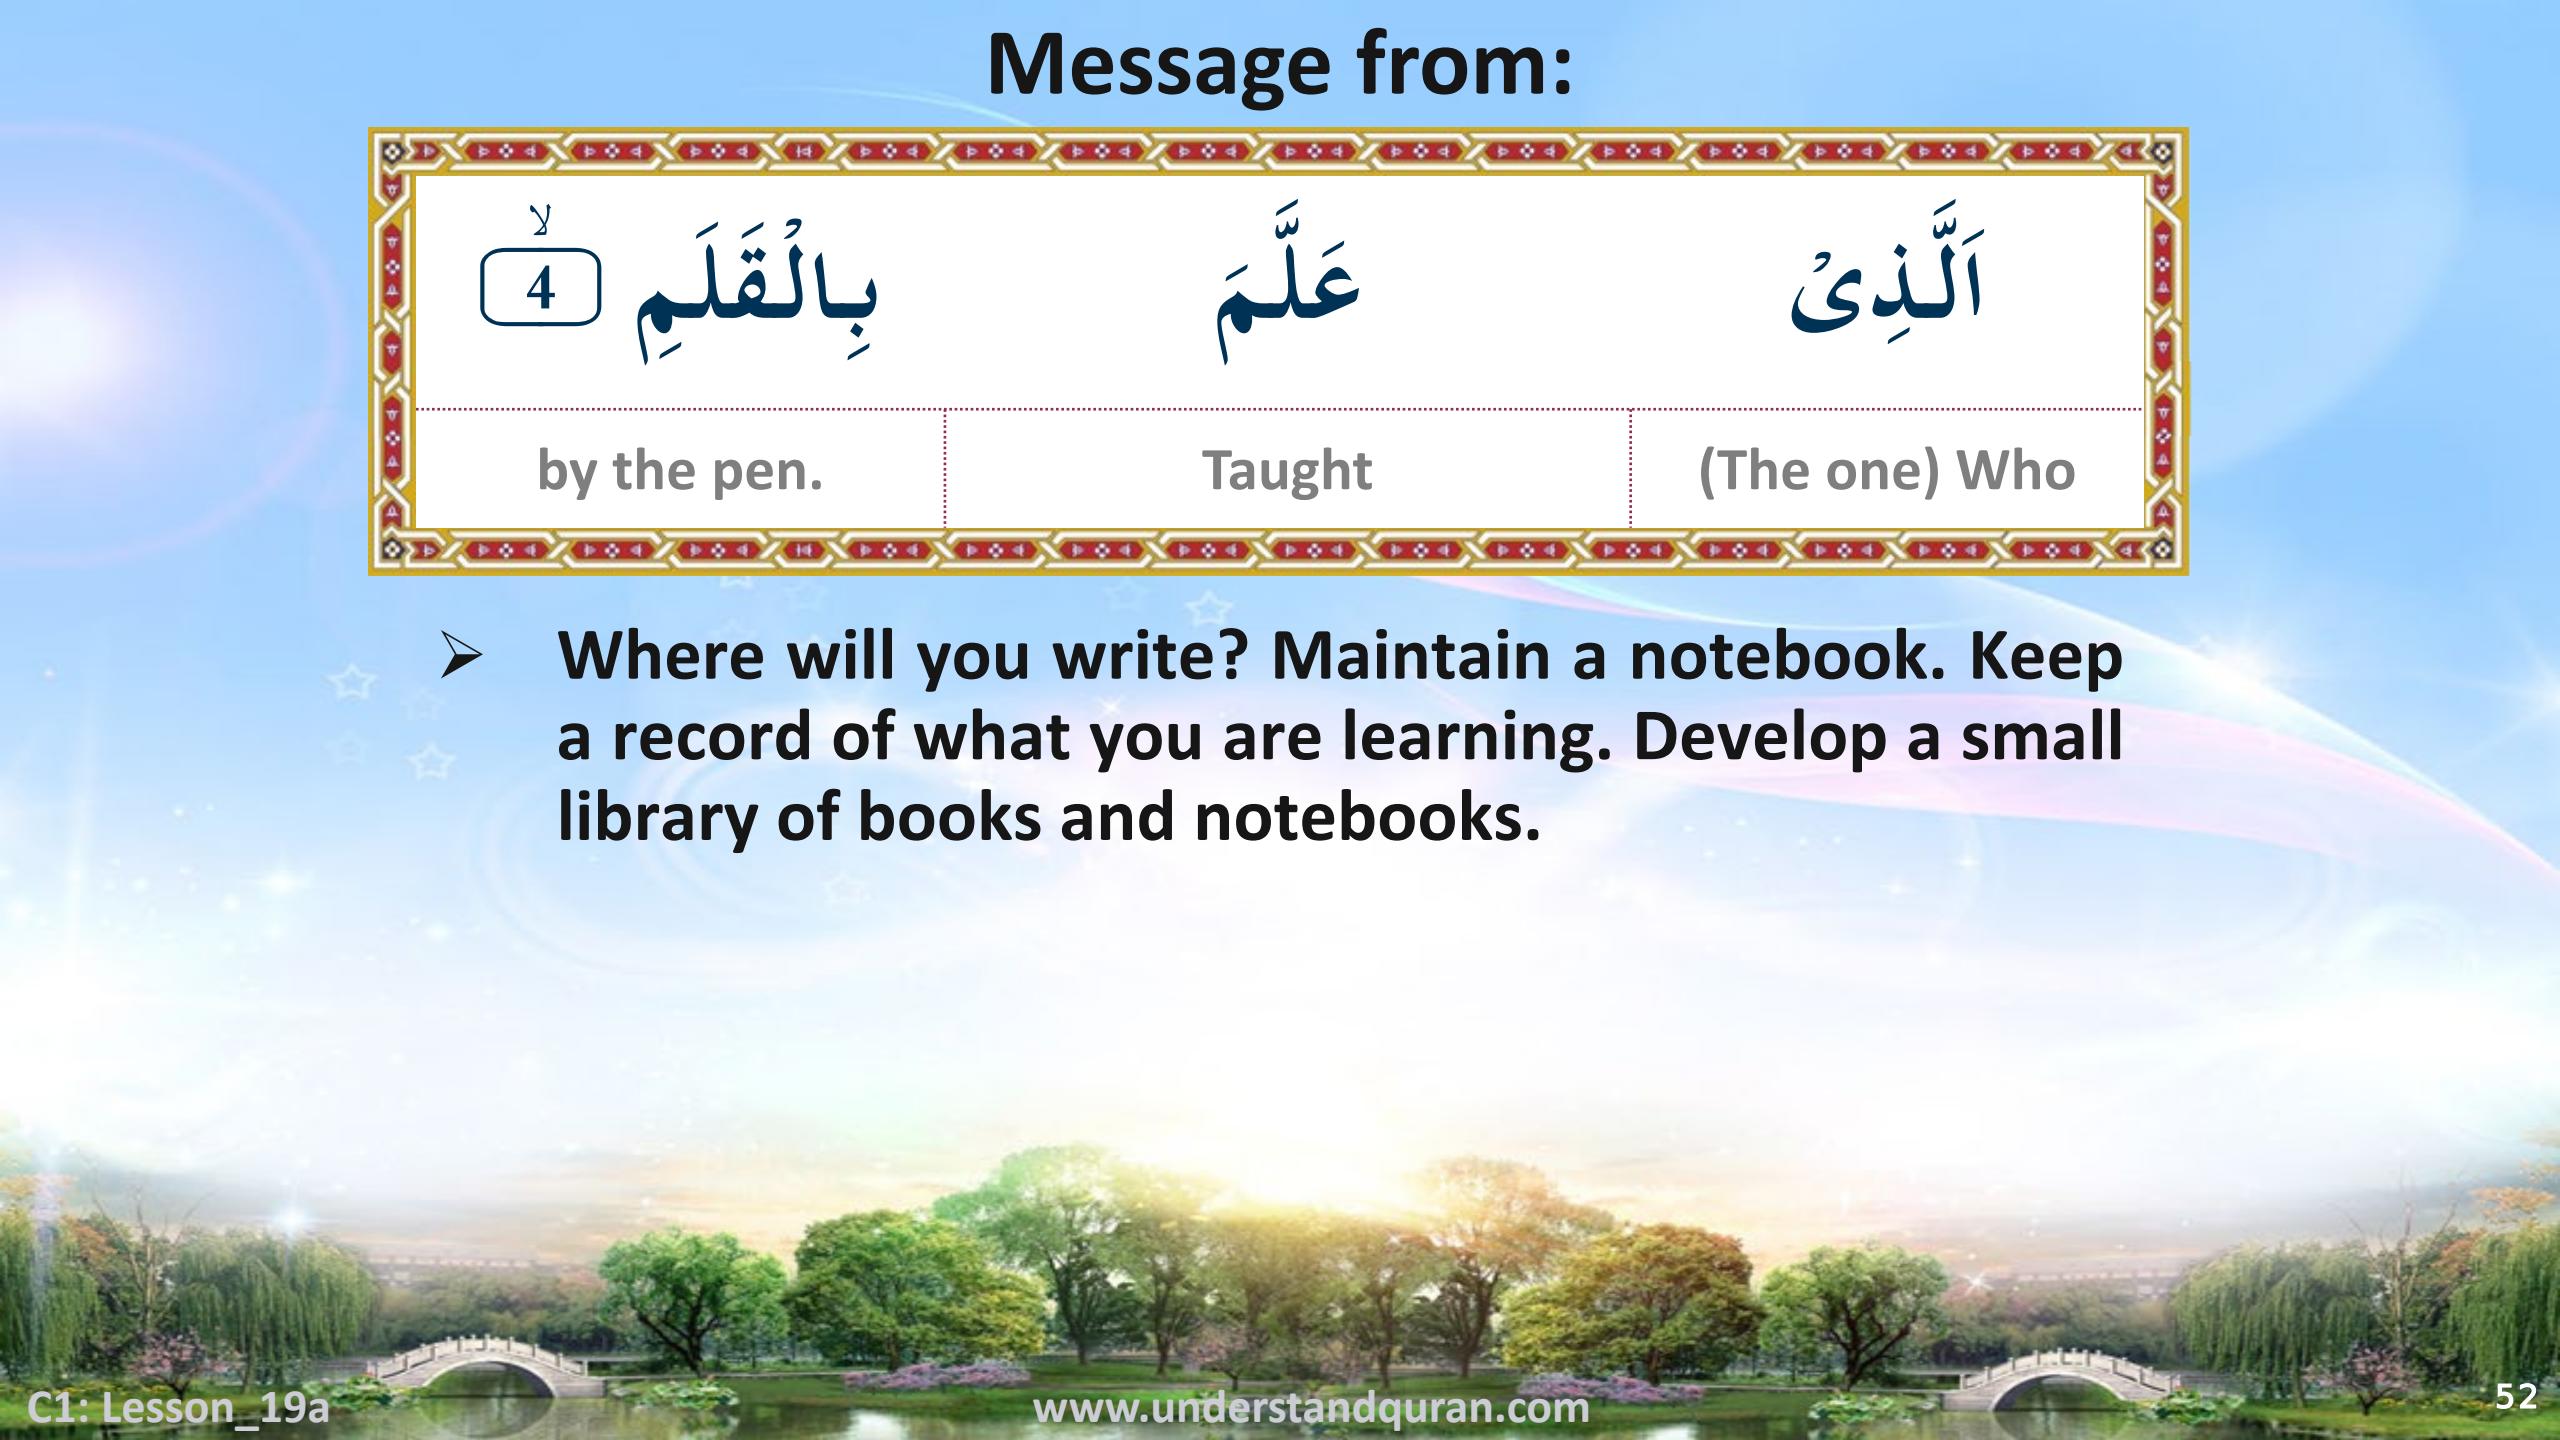

- When Allah says that he taught by the pen, pick up the pen immediately! You have written millions of words with your hand. Now use your hand for learning Qura'nic Arabic and make it a habit.

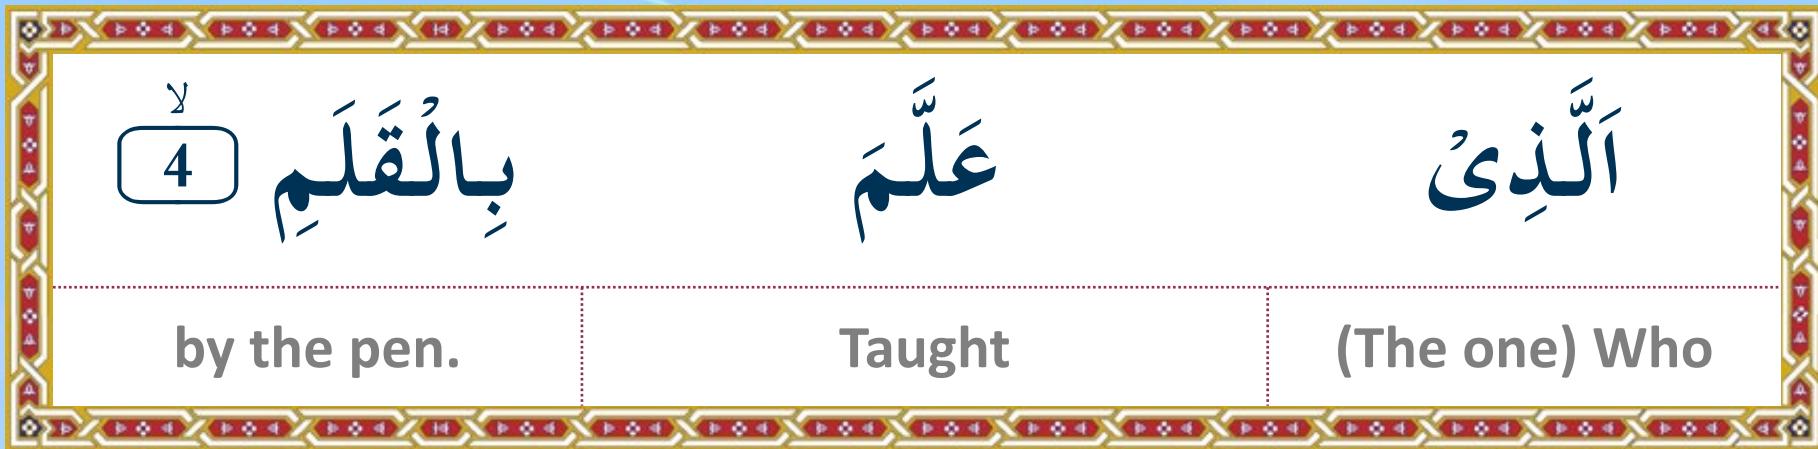

Message from:

- Where will you write? Maintain a notebook. Keep a record of what you are learning. Develop a small library of books and notebooks.

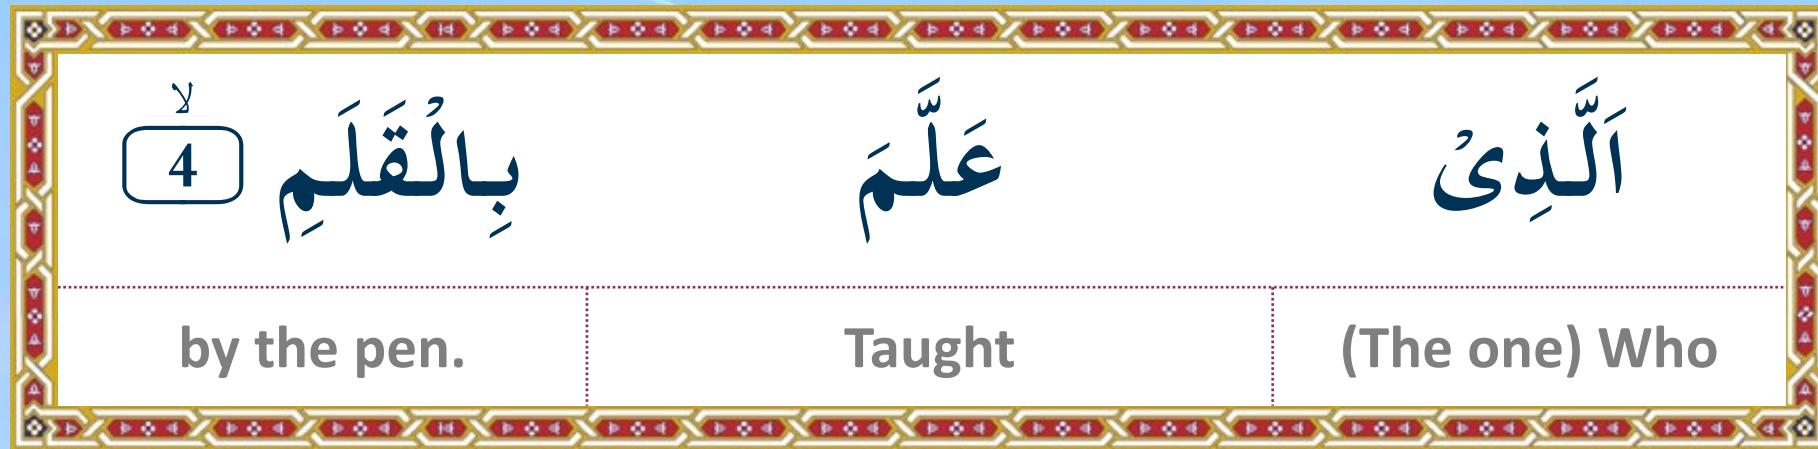

Message from:

- According to modern research, writing helps you learn things effectively. You have to first read or listen to things, think about it, and then use your eyes and fingers to write while keeping the whole body silent and focused on the task.

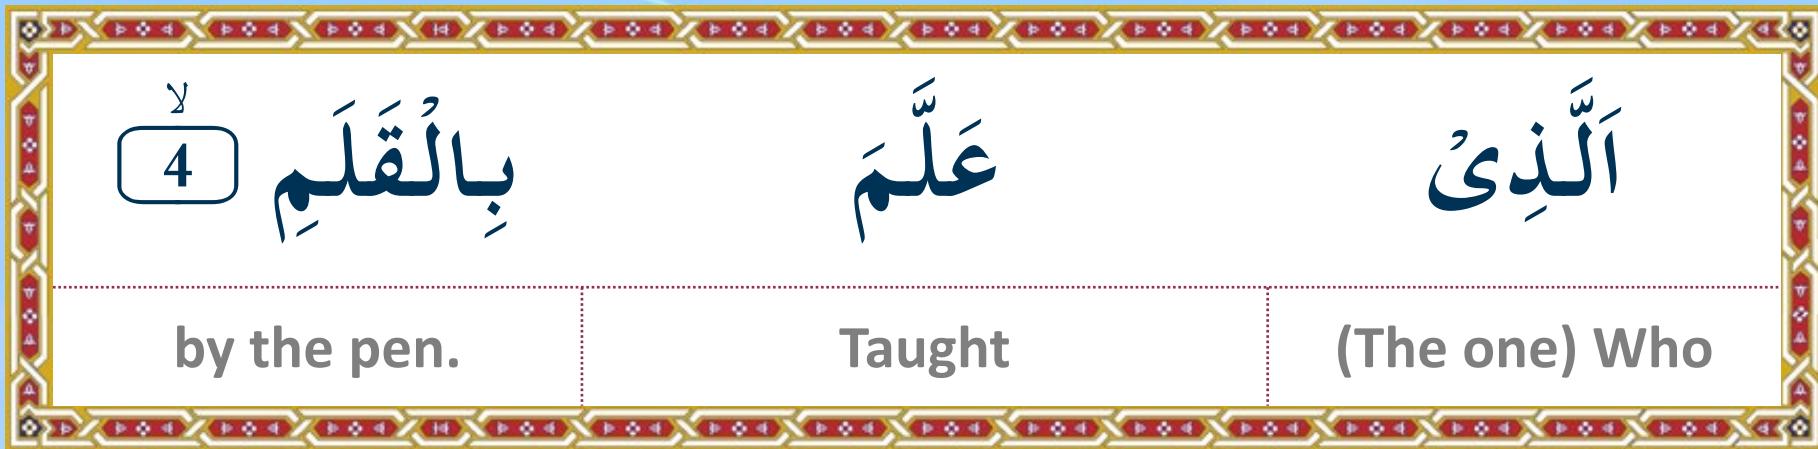

Message from:

- Make a vow to yourself today that you will spare at least five minutes for writing the meanings and the grammatical forms of new words. Do it not with laziness but with passion, devotion, and sincerity.

Message from:

- If there is any knowledge that this Ummah is deficient in, it is the knowledge of the Qur'an, whose first word of the first revelation is, "Read!" ﴿إِقْرَأْ﴾. Make reading and writing your special habit especially when it comes to learning the Qur'an.
