Message for Lesson No. 21

Start Understanding Qur'an – The Easy Way (Short Course).

Dear Brothers/Sisters!

Many of us work for years to save the money to build a house in this world! In general, when the house gets ready, people cross their middle age.

And we know that we will not live in such a house forever! Not even perhaps next 25 years. The more we live here, the more problematic the old age becomes, in general! Some of us die before even start living in it.

WE ARE BUSY in generating money for this house and to enjoy the life in it (with families and friends) in it and therefore do not have time for Al-Qur'an.

The Prophet pbuh said: "The one who was devoted to the Qur'an will be told on the Day of Resurrection: `Recite and ascend (in ranks) as you used to recite when you were in the world. Your rank will be at the last Ayah you recite.'" Based on this, some scholars say that there are as many grades of Paradise as the number of verses (more than 6000!).

Who does not want to get eternally promoted, and live in the best state of health and facilities? Should we not GET BUSY for eternal promotion and the real enjoyment? All it takes is the change in our attitude towards Al-Qur'an.
