

In the name of Allah, Most Beneficent, Most Merciful

Message for Lesson No. 24

Start Understanding Qur'an – The Easy Way (Short Course).

Dear Brothers/Sisters!

In Disney World, Florida, there is a simulation ride, called Time-machine. You sit in a car in a big dark hall and watch the screens (3D simulation). You feel as if you are traveling through skies and coming back to earth to pass through jungles and dinosaurs...

When you open the Qur'an, you can go for a true time and space ride. More than that! An intellectual, emotional, and spiritual ride! There is nothing false (simulation) here! Qur'an is kitabul-mastoor, a written book and the universe, with all its details including humans is kitabul-manzoor (an open book). You can travel to the future, look the endings of arrogant people and those of pious people. You can go back in history and see absolutely true accounts of the best and the worst people.

Have you seen a mother advising her child through stories and examples? Warning her child of consequences of bad action? Allah is much more kind to us than a mother is to her child. While taking us on this ride, He gives us a number of lessons and advice. More than that, we will find it matching perfectly with our innate nature!

To go on this ride, just open the Qur'an with faith and devotion. Start reading it or listening to it.

BUT THERE IS A CONDITION!!! YOU HAVE TO UNDERSTAND ITS ARABIC!!!

Please send your suggestions, comments, or feedback at webmaster@understandquran.com.

IN THIS LESSON, YOU WILL LEARN THE FOLLOWING:

Supplications: Miscellaneous Selections (Set – 3). These verses are included in this course because they contain words which occur frequently in the Qur'an.

IN GRAMMAR: Learn six words which occur 2286 times in the Qur'an!

Motivational TIP: Are you ready to go on an intellectual, emotional, and spiritual Time-space ride.

May Allah give us Tawfeeq to fulfill all the rights of the Qur'an.
