

From the middle part of the throat

ع

- Don't say ع as ء
- Anything too much becomes bad.
- If you say ح ،ع properly, they appear normal.
- For practice and getting control, you can exaggerate. But not during recitation.

How to practice?

Easier to say ع than عَ

يَعْنِي، يَعْنِي، يَعْنِي...

- Try to repeat it 500 to 1000 times when you are alone (in room, car etc.)
- During practice, some exaggeration is ok, but not during the recitation.

رَع عَع عَع عَع عَع

أَعْبُدُ	أَعُ
عَابِدُونَ	عَ
عِبَادُ	عِ
يَسْمَعُ	عُ
