

Tajweed Tip # 22

- Don't recite the Qur'an in singing style. One of the basic difference between the two is: Don't make too many waves in your sound in madd. Ex: **إن الله غفور رحيم**

Benefits of reciting with a Qari

- You can correct your madd in 3 areas:
- (aa, ee, oo)
 - ghunnah, and
 - the longer madds
- Your brain will get used to the makharij in a better way and it will be easy for you to recite the same.
- You will get a practice of having long breaths.
- Your hesitation of recitation in front of others will go away.
- You will get confidence in your Tilawah.
- But you should get a Tajweed teacher to check your recitation. Only a listener can tell whether you are following the right makharij & sifaat of letters and other rules of recitation.
