

Hams: ف ح ث ه ش خ ص س ك ت

When you read these letters, the breath should not stop while pronouncing them.

### The 2 letters

Among them, you have to be careful for only two letters ك & ت specially when there is Sukoon on them.

For example:

مَتْ مَتْ مَتْ      بَتْ بَتْ بَتْ      وَتْ وَتْ وَتْ

مَكْ مَكْ مَكْ      بَكْ بَكْ بَكْ      وَكْ وَكْ وَكْ

### Why on these two?

Suppose the Imam stops the breath while saying them, you will have difficulty in recognizing what he said:

أَكْبَرُ ، أَتْبَرُ

Almost **1200** times. **2** times/page approx.
