

Motivational Tip # 23

- When you recite the Qur'an, it is like you are talking to Allah and He is listening to you. As you recite the verses, you interact with them by asking for Allah's forgiveness, protection, mercy depending upon what is mentioned in those verses. You can enjoy these moments when you understand the Qur'an and recite in the best way.

Benefits of reciting with a Qari

- You can correct your madd in 3 areas:
 - (aa, ee, oo)
 - ghunnah, and
 - the longer madds
- Your brain will get used to the makharij in a better way and it will be easy for you to recite the same.
- You will get a practice of having long breaths.
- Your hesitation of recitation in front of others will go away.
- You will get confidence in your Tilawah.
- But you should get a Tajweed teacher to check your recitation. Only a listener can tell whether you are following the right makharij & sifaat of letters and other rules of recitation.
