Benefits of reciting with a Qari

- You can correct your madd in 3 areas:
 - (aa, ee, oo)
 - ghunnah, and
 - the longer madds
- Your brain will get used to the makharij in a better way and it will be easy for you to recite the same.
- You will get a practice of having long breaths.
- Your hesitation of recitation in front of others will go away.
- You will get confidence in your Tilawah.
- But you should get a Tajweed teacher to check your recitation. Only a listener can tell whether you are following the right makharij & sifaat of letters and other rules of recitation.
