

Touch the tip of the tongue to the upper gums near the roots of the teeth.

ر

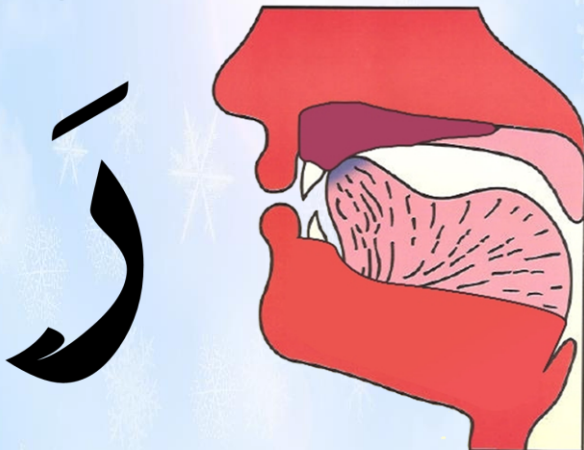

Touch the tip of the tongue to the upper gums a little above the roots of the teeth.

ن

Touch the tip of the tongue to the upper gums above the roots of the teeth.

- Don't say ر as ra (low). It is like raw but without making your lips round for raw. Ex: Rat, Rot
- Arabic Ra is between Mexican and English R
