Note to the Parents

Assalam alaikum wa rahmatullahi wa barakatuhu,

Alhamdulillah! The month of Ramadan is one of the greatest blessing of Allah in all aspects of life. This month presents a golden opportunity for parents to give tarbiyah to their children. Parents can hold daily sessions on various topics of Islam and groom the children. The prime objective is to develop Taqwa.

يَا أَيُّهَا الَّذِينَ آمَنُوا كُتِبَ عَلَيْكُمُ الصِّيَامُ كَمَا كُتِبَ عَلَى الَّذِينَ مِن قَبْلِكُمْ لَعَلَّكُمْ تَتَّقُونَ ﴿١٨٣﴾

O you who have believed, decreed upon you is fasting as it was decreed upon those before you that you may become righteous. (Qur'an-2:183)

Every responsible and concerned parent wishes to see their children getting attached to the Qur'an and Hadith. Ramadan is the month of the Qur'an; this is the month when the Quran was revealed. Alhamdulillah! Ramadan Tutor is designed and developed with Taqwa as the central theme. It is simple and colourful and a Ramadan companion for children in the age group of 7 to 17 years old. The contents in this book have been taken from authentic sources, and also care has been taken to use only that content which is acceptable to scholars of all schools of thought.

The Ramadan tutor contains chapters on fundamentals of Islam and a rich introduction of the Quran and Seerah of Prophet Muhammed ﷺ. We added few beneficial Duas along with the word for word translation. This will help the child develop Arabic vocabulary. To make it more child friendly, Ramadan tutor has games, activities, puzzles, quizzes, stories, etc. All these learning activities are designed based on Islamic topics like pillars of Islam, important events in Islamic Calendar, daily routines, etiquettes, etc. Ramadan Tutor ensures an engaging learning journey full of fun for children. InshaAllah!

Covid-19 has taught many lessons to humanity. The smallest of creature could create so huge impact in the lifestyle of 8 Billion people in the world. It time to groom our children to witness the Might and Power of Allah, by teaching them the Quran & Sunnah. Ramadan Tutor is one such step toward this goal inshaAllah!

We also encourage the parents to spend time with children and engage them with Ramadan Tutor so that they can benefit to the maximum and create beautiful Ramadan memories. We wish you will have a meaningful Ramadan with lots of rewards. Ameen

What is fasting?

Allah says in the Qur'an, "O you who believe! Observing As-Sawm (the fasting) is prescribed for you..." [al-Baqarah 2:183]

Fasting in Ramadan is the fourth pillar of Islam. Fasting is called 'Sawm' in Arabic. Fasting means not to eat or drink anything starting from Fajr (dawn) to Maghrib (sunset). If you should fast, then you must make the intention of fasting at night or before Fajr. Intention means to decide to do something.

Allah has made fasting compulsory in Ramadan for all adult Muslims except those who are sick, old and those who travel long distance, because it is difficult for them. However, once the sick gets better he should complete the fasts that he missed. The traveler should also complete the fast he missed after his travel ends. The old person however has no chance of getting better, so Allah commanded him to feed a poor person for each day of fast that he misses. This donation is called "Fidyah" For example, Salman's grandfather is very old, and he cannot fast the Ramadan. So, he must give "Fidya" for the 30 days of missed fasting to someone who is needy.

Seven Habits of happy Muslim Kids

Habits are actions that we do regularly. Good habits are the secret to success and happiness. While bad habits lead a person to failure and sadness. The Prophet ﷺ said, "Truthfulness leads to righteousness, and righteousness leads to Paradise. And a man keeps on telling the truth until he becomes a truthful person. Falsehood leads to Al-Fujoor (i.e. wickedness, evil-doing), and Al-Fujoor (wickedness) leads to the (Hell) Fire, and a man may keep on telling lies till he is written before Allah, a liar." (Sahih Al Bukhari).

Here are seven habits of happy Muslim kids which every Muslim kid should adopt:

- 1. Salah** - regularity & punctuality: The most important habit to develop is to establish salah at its proper time. Never ever miss it, or delay it. Give it the highest priority. Allah says "Recite, [O Muhammad], what has been revealed to you of the Book and establish prayer. Indeed, prayer prohibits immorality and wrongdoing, and the remembrance of Allah is greater. And Allah knows that which you do. [29:45]"
- 2. Niyyah** - to please Allah: We should always have the intention (Niyyah) to please Allah. The purity of intention is the condition to get the reward. Therefore make a habit to check the intention before every action.
- 3. Qur'an as a Companion:** Holy Qur'an guides us and prepares us to be successful in this world and hereafter. Make a habit of reciting the Qur'an frequently, regularly and keep referring to it. Always carry a personal copy of the Qur'an.
- 4. Follow Sunnah - manners, etc.,:** Allah has given us Prophet Muhammad ﷺ as the best example to follow. We should love him more than our parents and ourselves and follow him in every aspect of life.
- 5. Live connection with Allah:** Develop Taqwa of Allah, i.e., be conscious of Allah that He is watching us always. We are His slaves and we cannot survive even for a second without His help. Allah is the Almighty and the Most powerful. Be confident in difficult situations.

6. **Forgive & Be humble:** Forgive people and seek forgiveness from Allah and others as well. Do not hold grudges. If you see a fault, correct him gently, and pray for him.
7. **Be grateful, don't complain:** Allah says "And [remember] when your Lord proclaimed, 'If you are grateful, I will surely increase you [in favor]; but if you deny, indeed, My punishment is severe.' [Surah Ibrahim:7] Always see the positive side of events and incidents. Shaitan whispers to you to complain. Always choose patience, because Allah is with the patient ones.

How to interact with the Qur'an pondering & taking lessons

كِتَابٌ أَنْزَلْنَاهُ إِلَيْكَ مُبَارَكٌ لِيَدَّبَّرُوا آيَاتِهِ وَلِيَتَذَكَّرَ أُولُوا الْأَلْبَابِ ﴿٢٩﴾

[This is] a blessed Book which We have revealed to you, [O Muhammad], that they might reflect upon its verses and that those of understanding would be reminded [Qur'an-38:29]

- The Qur'an is sent down for: (1) pondering; and (2) taking lessons from it.
- Pondering means to think over or reflect upon. You don't need to ponder while reading a newspaper. Reading it once is enough to get the message. But can you read a book of science, maths, or commerce in the same way? No! You have to stop and think over or ponder.
- If we realize the greatness of the book, we will be more motivated to ponder it. This book is sent by the Creator of this universe who was always there and will always be there; whose universe is so big that just to go out of our own galaxy, we will need 100,000 years if we travel at the speed of light (3,00,000 kilometers/sec). Allah sent this Qur'an down from above the seven heavens.
- To ponder the Qur'an or reflect upon it, you have to understand it first!
- Take lessons: Receiving admonition means to take lessons, to listen to advice, to implement them in our lives. For example, if you tell a student, "Prepare for the exams, otherwise you will fail." If he prepares for the exam then he has acted on your advice.
- You can do so by acting upon its commandments and staying away from its prohibitions.
- When we do the above two, then by Allah's Will, we can earn all the blessings of this world and the hereafter through the Qur'an.

Our relationship with the Qur'an:

1. **Direct:** The Qur'an is Allah's word. Whenever I hear it or recite it, I should feel that Allah is directly addressing me. He sees me how I react to His words!
2. **Personal:** Every verse of the Qur'an is for me. Let us not say that this verse is for Non-believer, or Polytheist, or hypocrite. I have to see what is there in it for me! Why did Allah address this to me?
3. **Planned:** Every grain is destined for someone to eat! In the same manner, each and every verse is destined for someone to hear or recite. For example, if I heard Surah Qaaf in Fajr today, then it has something to do with what I am doing today.
4. **Relevant:** Qur'an is a reminder. Can Allah's reminder be irrelevant? I should ask O Allah! Why did you make me hear or recite this verse(s) today?

Total number of words in Qur'an **78,000**

Unique words **17,000**

Number of words if you learn some grammar **4,500**

Root words **1850**

10 Facts about the Holy Qur'an

- 1 The literal meaning of Qur'an is "that which is being read"
- 2 The Holy Qur'an has 114 surahs and 30 Juz (parts)
- 3 The revelation started in the Holy month of Ramadan
- 4 Qur'an was revealed over 23 years: 13 years in Makkah and 10 years in Madinah
- 5 Whoever reads one letter of the Qur'an gets 10 Rewards
- 6 Surah Al-Baqarah is the longest Surah (chapter) but Surah Al-Kawthar is the shortest Sura
- 7 Qur'an was revealed to Prophet Muhammad ﷺ through the angel Jibril عليه السلام
- 8 Prophet (ﷺ) was 40 years old when the first verse of Qur'an was revealed to Him
- 9 25 Prophets are mentioned in the Holy Qur'an
- 10 The Qur'an will intercede for people who recited it on Judgment Day

How to do Tadabbur and Tadhakkur?

Tadabbur تَدَبُّر: It means thinking over or pondering. Below is a simple method of Tadabbur for a common man. There are many aspects of Tadabbur but we are talking about basics only.

- 1. Study:** Study the verses repeatedly with understanding. Study brief commentary or Tafseer if available.
- 2. Visualize:** Use your imagination to visualize what is stated there. For example, when Allah talks about the heavens or the earth, try to visualize them.
- 3. Feel:** Recite with feelings. For Example, recite the ayat about Jannah with hope and about hell with fear.

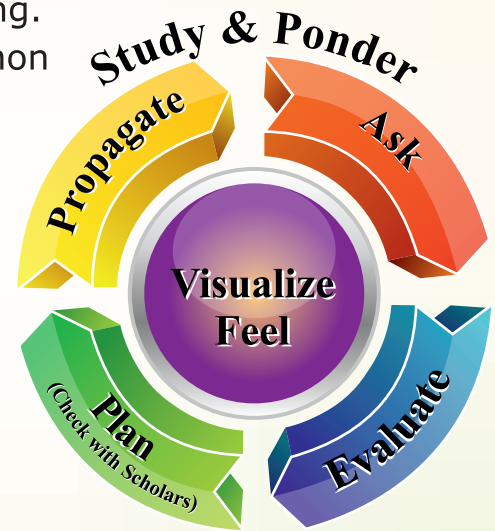

Tadhakkur تَذَكُّر: It means taking lessons or receiving admonition. Following is a simple method to do it.

- 1. Ask:** Extract a Du'aa from the passage you have learnt and ask Allah to help you implement what you are asking. For example, for the verse of this lesson: O Allah help me do Tadabbur.

Just Du'aa is not enough. One should evaluate his performance and make plans. Otherwise it will be like a student who prays to Allah in Fajr, Zuhr, Asr, etc. to help him pass the exams but he does not go to school nor studies any book!

- 2. Evaluate:** What have you done so far regarding the work related to Du'aa. For example, how much time did I invest on the last day in Tadabbur? If you did, Alhamdulillah; if not, Astaghfirullah.
- 3. Plan:** What is the plan regarding the work related to Du'aa. For example, how much time will you give for Tadabbur every day?
- 4. Propagate:** Share the learnings with the people.

Regarding the plan, we have to be careful and check one thing: When it comes to group or Fiqh issues or any new idea, then please check with scholars before you mention it to others or implement it.
